## **Snow Day Lunch**

Now that we are going into the snow season, please copy or record the days that you order lunch for your child. If school is cancelled on the day you ordered lunch, your child will receive that cancelled lunch on the same day the following week. Example: Johnny ordered lunch on Tuesday, November 12. School is closed on Tuesday, November 12 due to snow. Johnny will receive that lunch the following Tuesday, November 19. If Johnny’s parents order lunch again for Tuesday, November 19, he will receive two lunches on that day. There are no refunds once lunch orders are placed.
