

Rising First Grade Summer Work

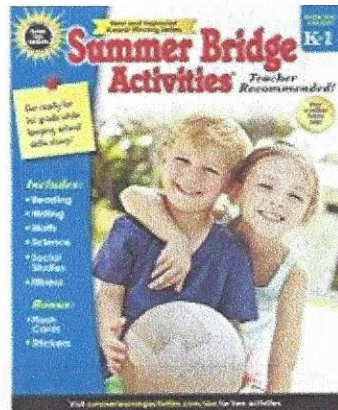

Children should pick a variety of books on their reading level and read for at least 15-20 minutes every day. Reading will help prepare them for assessments that will be conducted in the fall so they can be appropriately placed in reading groups. Please use the Summer Reading Challenge and fill out titles of books. There are also suggested books to read if you need some help. Please bring the Reading Challenge with titles filled out to Meet the Teacher.

Optional...but highly recommended. It has a variety of subject areas to help keep your child engaged.
