Volunteers use this checklist to avoid delays in volunteering. Use your full legal name throughout the entire process. If you have any questions, contact your Liaison.

The following sections are to be completed to volunteer at your parish or school and in the order presented.

1. ONLINE BACKGROUND CHECK APPLICATION

- New Volunteers who will be working with children, chaperoning, or overseeing youth will need to complete the background check application.
- The Child Protection Liaison will provide the volunteer with the *Volunteer Online Background Check Instruction Guide*, review thoroughly.
- It is recommended that the background check application be completed on a laptop or desktop.
- The estimated time to complete the background check application is about 20-30 minutes.
- If you receive an error message when creating your account that states: "You Social Security Number is already in Use", this means you have previously filled out background check forms for the Diocese in the past. You will need to reactivate your compliance account. Notify your Child Protection Liaison for further instruction on retaining your User ID.

2. DOCUSIGN-ELECTRONICALLY SIGN FORMS

- Documents are bundled into an electronic envelope using *DocuSign*. You will receive an email notification to your specified email address. If you notice an error or missing information, "decline" your forms. After declining your forms, you may log back into your background check application and update your information. A new *DocuSign* email will be sent to you for your review and signature.

DocuSign Forms to Review & Sign Electronically

- CPS Central Registry Form: This form cannot be signed electronically. Once the Liaison approves your *DocuSign* forms, it may be printed by the volunteer (if no errors) or by your liaison and signed in front of a notary public. Do not sign the form before appearing before the notary. Completed CPS forms should be returned to the Liaison.
