

Bridges

Sacred Heart Academy offers Bridges for Academy students on days when the Academy is in session. The program offers Before School Care and After School Care. The goal of the Bridges program is to assist parents in need of childcare by providing a safe Catholic environment.

Bridges AM is offered Monday to Friday from 6:45am to 7:45am. Drop-ins are welcome. Bridges AM is not available when the school has a weather delay. All monies due to the Bridges program are to be paid through FACTS Management Company weekly or monthly.

Bridges PM is offered Monday to Friday from 3:15pm to 6:00pm (11:45am to 6:00pm for early dismissal.) A child not picked up at school by dismissal, 3:15pm is automatically enrolled in Bridges PM. A snack is served daily and help with homework is provided in addition to supervised activities. Drop-ins, as well as, those children who need daily care are welcome. All monies due to the Bridges program are to be paid through FACTS Management Company weekly or monthly.

Sacred Heart Academy's Bridges PM program is licensed through Social Services of the State of Virginia. Yearly, all employees have to receive continuing education points and the program is inspected twice a year. Employees have undergone background checks and are also certified in First Aid and CPR.

All students enrolled in the Academy are required to have a completed Bridges program registration form and health form on file by the end of the first week of school whether you plan to use the program or not. There is no charge to enroll in the program for elementary students.

Note: All students are to be picked up from Bridges by 6:00pm. There is a \$1 per minute surcharge for children who remain after 6:00pm. If children are picked up after 6:00pm more than three times in one month, parents may be asked to make other after-school arrangements for their children.

Families are asked to pay Bridges invoices promptly. Students whose accounts remain unpaid for more than 30 days will be denied admittance to Bridges the next school day and for as long as the bill remains unpaid. Repeated problems paying Bridges invoices may result in families being denied the ability to use Bridges for after-school care for their students.

Fees on reverse

Bridges Program Fees
