

# Welcome to First Grade!

## 2022 Summer Reading List

### A message from Mrs. Pastora

Welcome to First Grade! You are now the proud parents of Firsties!!! The best way to help your Firstie's reading skills is to make sure they READ! Research shows that a child who reads or is exposed to reading 20 minutes each night progresses more easily than children who lack that experience. Reading will help prepare them for assessments that will be conducted in the fall so they can be appropriately placed in reading groups.

Please make sure your child reads **at least 20 minutes each day** this summer. READING can include any of the following:

- ★ Child reads to self.
- ★ Child reads to someone.
- ★ Someone reads to child.

### Required

**Your child will fill out the attached Sun Reading Log each time he/she reads for 20 minutes.**

This can include half of a book, a book they've read several times, or a whole story! The point is that they're reading for 20 minutes.

Try to select books that they can read independently as well as some that may require your guidance. Please remember this should be fun and not a chore. If your child gets frustrated, let him/her take a break and revisit later that day.

Keep the Sun Reading Log somewhere in your house where your child can easily access it.

### Optional:

Does your child love a fun challenge? See how many books he/she can read by completing the 100 book challenge! Your child will read a book in a different place, in a different way, or to a different person each time! Keep the Sun Reading Log in a place your child can easily find and track his/her progress.
