

# Welcome to First Grade!

## Summer Work 2024

### Math

Please use the flyer in your child's **RED FOLDER** to access your child's Xtra Math login. Have your child practice **10 minutes daily**. I will be able to monitor your child's progress on my side.

### Reading

**Due August 21, 2024**

Please have your child either read to you **OR** you read to them daily. *Minimum 25 days. Color the corresponding picture.* Please practice the attached sight words and letter sounds with your child. Direction below.

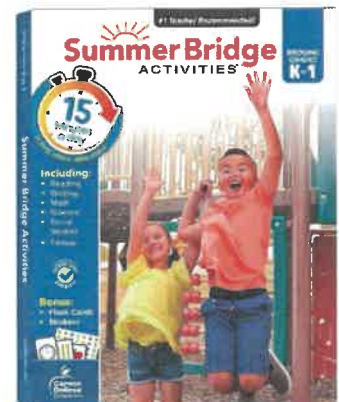

## A message from your teacher

Welcome to First Grade!

This is going to be a very exciting year, and I am thrilled to be able to share it with you and your child. In order to help your child feel successful and confident as he or she enters First Grade, I ask that you help him/her complete the math and reading assignments listed above.

I certainly understand the importance of Summer Break, but I want all students to have the opportunity to continue their growth over the warmer months.

**Optional:** Summer Bridges Activity Book Grade K-1  
Can be purchased at Amazon, Target, Costco.

# Letter Recognition and Sounds

Directions (both pages)

Point to a letter and have your child tell you its name and the sound it makes. You can then make the sounds and have your child point to the letter. Once they have mastered both name and sound, check off the letter.

## Sight Words

Please have your child practice with the lists of sight words. With my own children, I found it easy to put the words on flashcards and practice daily with them. If they miss a word, add it to the back of the stack. They will start flying through the words with fluency.
