The Great ADVENTure

Advent begins Sunday December 1. It is the period of preparation for the celebration of the Nativity of Jesus at Christmas. Consider using this time as a family adventure. There are many ideas online for families to prepare for the nativity. My family and I say prayers and light our Advent wreath before dinner each night. For as long as I can remember the children in our family received an Advent Calendar during our Thanksgiving celebration. We enjoyed opening the windows of the calendar each day in anticipation of Christmas. However you prepare for this season, may your adventure bring you closer to Jesus. Included in this week's Family Folder is a calendar of activities to begin your adventure to Christmas.

Scholastic Book Fair

The week of December 2–6, the library will be closed so that students can visit the Book Fair and purchase books. Parents are invited to drop into the library, Monday through Thursday, from 8:00 AM— 4:00 PM, and Friday, from 8:00 AM— 12:00 PM to purchase books for students and look over the wish lists for the Teachers. Please take the time to visit us during our Book Fair.

Report Cards

Report cards will be issued on Friday, December 6. If you have not already conferenced with your child's teacher, please e-mail the teacher to schedule a time.
