### Family Service Hours

An important aspect of the Sacred Heart Academy philosophy includes creating a school environment in which a partnership exists between the school and the families of the students. As a result, a Family Service Requirement was created. Each family is required to donate a minimum of 25 hours of service or the equivalent to the school each year. Service hours are to be used in the following manner: 15 hours may be completed up to February 1. **A minimum of 10 hours must be given after February 1** in order to have enough help during the spring fundraisers and activities. Please visit our PTO page to see what volunteer opportunities are available.

### Tuition Assistance applications due March 15

If you believe you might need financial assistance for the following school year, please consult the attached Tuition Assistance flier. There are four sources of assistance: Diocesan Tuition Grant Program, Diocese of Arlington Scholarship Foundation, St. Beatrice Tuition Assistance and Academy Tuition Angel, all of which can be accessed only through this application process. You can begin your application in the Grant and Aid section of FACTS. There are limited funds available and application is no guarantee of award.

### Homework Club

Beginning February 10th, from 3:45 to 5:15 PM, we are offering a new program called, Homework Club, for students to complete their homework while at school. This program is geared to students who need assistance with assignments, may forget to do the assigned homework, or just want to get homework done before going home. A flier will come home this week so families can sign up for one (or more) 30-minute sessions. Students will get checked into Bridges where they will receive a snack. They will get checked out for their 30-minute session, reserved ahead of time, and get checked back in when they are finished. Spaces are limited in each session to ensure students receive the attention they need. There will be at least three teachers, Monday through Thursday. The fee for Homework Club is \$10 per 30-minute session, payable directly to the teacher. More information will come home in next Friday's folder.

### Alternative Student Pick Up

Beginning Monday, February 10, there will be a new option to pick up students from Door 5 (next to the greenhouse), at the back of the school building. Drivers must present the car placard with the last name of the students being picked up to the staff at the back door. Those using the alternative student pick up must be at the door by 3:10 PM.
